

“I can tell you what *I* love about it, but I can’t tell you the answer. It needs to be your own.”

Weather Recipe - Sunshine

Each weather is called by a different mood (which Stella finds quite tricky!). Sunshine is conjured using happiness.

But... the exact recipe for a weather is unique to each weather weaver. Nobody else can invent it for you – you need to write your own – it should include everything that sunshine means to YOU! Remember to include every single one of your senses in the recipe.

A thought or idea that makes me feel happy inside:

To me, sunshine sounds like:

To me, sunshine smells like:

To me, sunshine looks like:

To me, sunshine feels like:
